

Coming Together After CoViD

Thursday 18th August 2022 10am to 4:30pm

16 Queen's Road , Leicester, LE2 1WP

We've booked the whole of the big Quaker Meeting House, just south of Victoria Park, 1 mile from main railway station.

HAPPENINGS ALL DAY

Meet experts on; natural immunity, natural remedies, nutrition, diabetes reversal, electromagnetism, advance statements, vaccines, numerology, NVC (Non-Violent-Communication), the Public Health Collaboration, low-cost/relatively-safe medicines not available from the NHS and Living off grid - simple options if you find yourself without things like electricity and clean water.

11:30am Dr Tess Lawrie explaining, 'The World Council for Health and a Better Way'

12:30pm Dr Teck Khong

1:30pm Ian Jarvis - Non-ionising radiation - Is 5G the worst?

2:30pm If CoViD injections are safe, why is the UK government now paying out under the Vaccine Damage Scheme?

3:15pm Is it right to resist seemingly stupid laws? How far would you go if our elected politicians seemed to go mad?
